GAP FREE PREVENTATIVE DENTAL

A popular feature of our Dental cover is Gap Free Preventative Dental.

We will pay 100% of the fee for each eligible preventative service provided by one of our agreement dentists.

The same benefit amount will be paid whether you see an agreement dentist or not. (A balance may be payable for treatment provided by a non-agreement dentist).

Regular visits to the dentist are essential for the maintenance of healthy teeth and gums. MHF and Dentists recommend that you, and your family, visit every six months to ensure overall good oral health.

Benefits apply to adults and children who have served their waiting period. All limits and benefit conditions apply to these services.

ORTHODONTICS

The Fund provides cover for orthodontics under our Dental cover.

This cover entitles you to a yearly orthodontic benefit of \$600 with a \$1500 lifetime orthodontic limit.

We encourage you to provide us with a dental treatment plan when commencing orthodontic treatment to ensure maximum benefits are available to you.

Further information can be found in our Fact Sheet - Orthodontic Members Guide which can be downloaded from our website mildurahealthfund.com.au or forwarded to you on request.

SUPER DENTAL AGREEMENTS

The Fund has entered into agreements with dental providers, known as super dental agreements, to limit the out of pocket expenses our members have to pay.

All dental providers receive the same benefit per service, whether they have an agreement with us or not. Our agreement dental providers will only charge the agreed amount for the service they provide.

You still have a choice of who you receive treatment with, we do not reduce the benefits paid if you see a provider who doesn't have an agreement with us.

We are unlike other health funds, who have preferred providers, we give you choice! Other health funds with preferred providers restrict who you can see, how much you can claim and generally pay a lower benefit for the same service to dentists who are not one of their preferred providers.
